

Advanced Orthopedic
& Sports Medicine Specialists

Roger L. Greenberg, MD

Work Experience

1994-Present Advanced Orthopedic and Sports Medicine Specialists
Denver, CO

Boards

Board Certified – American Board of Orthopedic Surgeons

Education

1975-1978

Residency
Cornell University Affiliated, Orthopedic Surgery Hospital
for Special Surgery – New York, NY

1974-1975

Columbia University Affiliated, The Roosevelt Hospital
New York, NY

Internship

1973-1974

Columbia University Affiliated, The Roosevelt Hospital
New York, NY

Medical School

1968-1973

Columbia University, College of Physicians and Surgeons
New York, NY

Under Graduate

1965-1969

Trinity College – Hartford, CT
– Bachelor of Arts with Honors

High School

1962-1969

East Denver High School – Denver, CO

Presentations

1978

An In-vivo Biomechanical Evaluation of Knee Instability
Presented to the Orthopedic Research Society: Dallas, TX

1978

A Simple In-vivo Biomechanical Knee Stability Test
Presented to the American Society of Biomechanics:
University of Michigan; Ann Arbor, MI

1979

The Orthopedist in Professional Sports
Presented at the University of Denver: Denver, CO

- 1980 The Orthopedic Approach to the Injured Knee-Diagnosis, Treatment and Rehabilitation
Presented to the American Physical Therapy Association: Colorado Chapter
- 1981 Instrumentation for Total Knee Arthroplasty
Presented at John Hopkins University School of Medicine: "A Course in Total Knee Arthroplasty"
- 1981 Instrumentation for Total Knee Arthroplasty
Presented at the University of California at Irvine School of Medicine: "A Course in Total Knee Arthroplasty"
- 1982 Instrumentation for Total Knee Arthroplasty
Presented at the University of Colorado School of Medicine: "A Course in Total Knee Arthroplasty"
- 1982 Instrumentation for Total Knee Arthroplasty
Presented at John Hopkins University School of Medicine: "A Course in Total Knee Arthroplasty"
- 1982 Instrumentation for Total Knee Arthroplasty
Presented at the Moore Clinic and the University of South Carolina School of Medicine
- 1983 Instrumentation for Total Knee Arthroplasty
Presented at the University of Colorado School of Medicine
- 1978-2012 Multiple local presentations for patient education emphasizing the importance of correct alignment in Total Knee Replacement as it relates to the life of the implant, specifically emphasizing the use of computer navigation, and recently the use of robotics in joint replacement surgery.

Publications

- 1981 An In-vivo Biomechanical Evaluation of Anterior-Posterior Motion of the Knee
Torzilli, P.A., Greenberg, R.L., Insall, J.
J.B.J.S. 63-A: 960-967, July
- 1981 Tripartite Fracture of the Acetabulum After Total Hip Arthroplasty
Ranawat, C.S., Greenberg, R.L.
Clinical Orthopedics, 155:48-51, March-April
- 1983 Instrumentation for Total Knee Arthroplasty
A Chapter in Total Knee Arthroplasty
Greenberg, R.L., Hungerford, D.S., Kenna, R.U.
Williams & Wilkins, November
- 1984 Measurement and Analysis of A-P Knee Translation in the Injured Patient
Torzilli, P.A., Greenberg, R.L., Hood, R.W., Paulou, H., Insall, J.
J.B.J.S. 66-A:1438-1442, December
